2025-2026 Topic

In 2028, the Olympic Games will return to the United States for the first time since the 2004 Winter Olympic Games in Salt Lake City. SportsFanatics, a fictitious sports consulting agency based in San Antonio, is developing recommendations to plan the 2028 Olympic Games in Los Angeles, California, specifically to support athletes, the city, and the National Olympic Committees (the countries sending athletes). Using the provided data and your own research, identify trends and make recommendations based on the data and external factors. Public domain data accessed by Kaggle, an online data repository:

- [Athlete Events](#) - Dataset contains information on each athlete between 1896 and 2016. Note that event offerings have changed over time. Also note that until 1992, the Summer and Winter Olympic Games were held in the same year. Height data is provided in centimeters and weight data is provided in kilograms.
- [NOC Regions](#) - Dataset includes supporting information defining the National Olympic Committee country sponsoring the athlete.

Note: Some information provided may not necessarily be useful in your analysis; you do not need to use all the information provided.

District

Eligibility Requirements

To participate in FBLA competitive events at the National Leadership Conference (NLC), the following criteria must be met:

- Membership Deadline:** FBLA national membership dues must be paid to the specific division by 11:59 p.m. Eastern Time on March 1 of the current school year.
- Repeat Competitors:** Members may only compete in an event at the NLC more than once if they have not previously placed in the top 10 of that event at the NLC. If a member places in the top 10 of an event at the NLC, they are no longer eligible to compete in that event at future NLCs, unless the event has been modified beyond a name change. Chapter events are exempt from this procedure.
- Conference Registration:** Members must be officially registered for the NLC and must pay the national conference registration fee to participate.
- Official Hotel Requirement:** To be eligible to compete, competitors must stay within the official FBLA housing block.
- State Entry Limits:** Each state may submit up to four entries per event.
- Event Participation Limits:** Each member may participate in:
 - One individual or team event, and
 - One chapter event (e.g., *Community Service Project* or *Local Chapter Annual Business Report*).
- Competitor Responsibility:** Only registered competitors are permitted to plan, research, prepare, and set up their presentations. Advisers and others may not assist.
- Participation Requirement:** To be eligible for an award, each competitor must complete all components of the event at the National Leadership Conference.
- Team Composition:** All members of a team must be from the same local chapter.

If judges have left the competitive event area, it is no longer possible to compete. Five penalty points will be assessed for late arrivals in any competitive event.
- **Event Schedule Notes:**
 - Some events may begin before the Opening Session.
